

The Bottom's Deep

Right when you think you've been as low as you can go, you can hit an even deeper bottom.
This is where you're as close to God and as far away from god all in the same echo.

I Didn't Know What I Was Looking For
But I Was Searching For Something More
I've Spent My Whole Life
Just Trying To Fill This Hole

But I Was Running Way Too Fast
Trying To Let Go Of My Past
The More That I Learned
The More I Don't Know

Chorus:
The Bottom's Deep, Yeah
But I Found It
This Time There's No Way Around It
I Saw My World Come Crashing Down
The Bottom's Deep, Yeah
But I Found It
This Time I Can't Get Around It
But Things Are Looking Up
From On The Ground

Redneck Nights And Pick Up Lines
Neon Lights, "Baby, What's Your Sign?"
The Good Lord Knows
I've Tried Them All

Changing Churches And Changing Bars
Just Trying To Find Out Who You Are
You Can't Get To Heaven
If You Won't Leave Hell – No

Chorus:
The Bottom's Deep, Yeah
But I Found It
This Time There's No Way Around It
I Saw My World Come Crashing Down
The Bottom's Deep, Yeah
But I Found It
This Time I Can't Get Around It
But Things Are Looking Up
From On The Ground

Bridge:
Oh, Oh, Oh, I Didn't Know
That There Was Any Hope For Me
Yeah Yeah Yeah

Chorus:

The Bottom's Deep, Yeah
But I Found It
This Time There's No Way Around It
I Saw My World Come Crashing Down

The Bottom's Deep, Yeah
But I Found It
This Time I Can't Get Around It
But Things Are Looking Up
Things Are Looking Up
Things Are Looking Up
From On The Ground
From On The Ground
