

Calvary

To remind us how he died

Now the years have come and gone
But that year I stood tall
The Ol' Farm is now a parking lot
Get your tree outside the Mall

CHORUS:

And the lesson Daddy taught me
With that Ol' Christmas tree
Is Christmas won 't be Christmas
Boy if you don't see
There's only been one perfect son
And that one broken tree
That's the one that Jesus carried
That still carries you and me
The one without the tinsel
On Calvary
On Calvary

To remind us how he died

Now the years have come and gone
But that year I stood tall
The Ol' Farm is now a parking lot
Get your tree outside the Mall

CHORUS:

And the lesson Daddy taught me
With that Ol' Christmas tree
Is Christmas won 't be Christmas
Boy if you don't see
There's only been one perfect son
And that one broken tree
That's the one that Jesus carried
That still carries you and me
The one without the tinsel
On Calvary
On Calvary
