That's Just What You Do

They come from Idaho  
And Michigan and Texas  
They don't sign up as heroes  
To serve the best they can  
They take a solemn vow  
To fight for God and country  
Then they take a long ride  
To some dusty foreign land

CHORUS:

'Cause that's just what you do  
When you're honor bound  
And each day when you're through  
There's a bugle sound  
You lay your life on the line  
And you pray you'll get bolder  
'Cause when you're a soldier  
You're sworn to see it through  
That's just what you do

They miss their brothers  
Their lovers  
An' mama's cookin'  
They lie awake and wonder  
If they'll see them anymore  
Their mothers cry sometimes  
Their fathers pray in secret  
Hopin' they don't ever  
Get that knock on their door

CHORUS:

But that's just what you do  
When you're honor bound  
When each day is through  
There's a bugle sound  
You lay your life on the line  
And you pray you'll get bolder  
'Cause when you're a soldier  
You're sworn to see it through  
That's just what you do

BRIDGE:

So when you see that uniform  
Won't you look 'em in the eye  
'Cause they've lost friends  
And they've lost blood  
Some will give their lives

CHORUS:

An' that's just what you do  
When you're honor bound  
When your last day's through  
There's a beautiful sound  
You laid your life on the line  
And they know you were bolder  
'Cause when you're a soldier  
You're sworn to see it through  
That's just what you do  
That's just what you do
