

This song was written for a friend named Patti, for her wedding day. Marriage can be hard and sometimes you're both right and everything is still very wrong. My wife and I have been married for twenty-eight years. Without Christ, we would not still be together.

One With You

I Still Can't Believe She Is With Me
I've Never Felt So Alive
Lord, Help Me Always Stand Beside Her
And Cherish Her As My Bride

Chorus:
Some Will Say That Love Takes Two
But I'm Praying, Lord, Make Us One With You
Watch Over Us As We Say I Do
Be With Us
Make Us One With You
Make Us One With You
Make Us One With You

Seems I've Always Dreamed Of This Moment
With You Here Before God All Dressed In Lace
Tonight I'll Give My Heart To You Forever
And See My Own Reflection In Your Face

Chorus:
Some Will Say That Love Takes Two
But I'm Praying, Lord, Make Us One With You
Watch Over Us As We Say I Do
Be With Us
Make Us One With You
Make Us One With You
Make Us One With You

Bridge:
She's All I've Ever Wanted
Let Me Be Just What She Needs
Never Let Us Wander Far Away From Right Here
On Our Knees
We're On Our Knees

Some Will Say That Love Takes Two
But I'm Praying, Lord, Make Us One With You
Watch Over Us As We Say I Do
Be With Us
Make Us One With You
Make Us One With You
Make Us One
