

As crazy as life can be some days, I wouldn't change mine for anything. I love my family. I hope it never gets too quiet.

Still Crazy About You

Monday Morning My Alarm Clock Sounds
My Whole House Turned
Upside Down
Time To Run The Race
Put On That Face
My Life's A Little Crazy
But I'm Still Crazy About You

There's Children Running
Everywhere
Who Stole My Brush?
Who Stole My Hair?
Time To Turn The Page On
Middle Age
My Life's A Little Crazy
But I'm Still Crazy About You

Chorus:
So Much To Do, So Little Time
But Baby, You Still Look So Fine
One Little Smile From You
And I'm Brand New
My Life's A Little Crazy
But I'm Still Crazy About You

Now Go Get The Almighty Buck
Pile In That Sport Ute Truck
Time To Go Downtown
Try To Keep My Road Rage Down
My Life's A Little Crazy
But I'm Still Crazy About You

The Boss Is Driving Me Insane
My Whole Life Is One Coffee Stain
He Don't Know My Name
I'm His Ball And Chain
My Life's A Little Crazy
But I'm Still Crazy About You

Chorus:
So Much To Do, So Little Time
But Baby, You Still Look So Fine
One Little Smile From You
And I'm Brand New
My Life's A Little Crazy
But I'm Still Crazy About You
