

## I Think Of You

This song was inspired by my lovely wife and two children, Kati and Chapin.  
It is in all the things I do that I think of you.  
You three are my whole life.

I think of you when I'm all alone  
And always when you're near  
I see you through the children  
And how you've wiped away  
their tears

I watch you while you're sleeping  
You hold me when I fall  
When I wander home like a dog  
without a bone  
I hear this family's call

### CHORUS:

They say  
Hey Daddy can I show you  
I've learned a new dance today  
Hey Daddy over here  
This football wants to play  
But then I see your pretty smile  
And my worries just float away  
I think of you and all you do today

I think of you when times get hard  
You've always pulled us through  
Those quiet morning coffees  
And those bedtime prayers  
with you

### BRIDGE:

Sometimes we may disagree  
But I still wear your ring  
And I'll love you until forever  
Then one more time again

### CHORUS:

They say  
Hey Daddy can I show you  
I've learned a new dance today  
Hey Daddy over here  
This football wants to play  
But then I see your pretty smile  
And my worries just float away  
I think of you and all you do today
