Warm Heart

Freedom in the VDub bus Was like Woodstock on wheels Chasin' lipstick & Defrume Can make a young man's heart real It's amazing what a man will do When a women passes through You can feel the heat Between your head & Defrume Can wheel the heat Between your head & Defrume Can wheels Chasin' lipstick & Defrume Can make a young man's heart real It's amazing what a man will do When a women passes through You can feel the heat Between your head & Defrume Can wheels Chasin' lipstick & Defrume Can make a young man's heart real It's amazing what a man will do When a women passes through You can feel the heat Between your head & Defrume Can make a young man's heart real It's amazing what a man will do When a women passes through You can feel the heat Between your head & Defrume Can make a young man's heart real It's amazing what a man will do When a women passes through You can feel the heat Between your head & Defrume Can make a young man's heart real It's amazing what a man will do When a women passes through You can feel the heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat Between your head & Defrume Can make a young man's heat a young man's h

CHORUS: I need a cold one & amp; a warm heart tonight I need a cold one & amp; a warm heart tonight Baby treat me right Yeah Yeah Yeah Yeah

I swear I fell in love each & Dust give me one more dime The colors are so beautiful When you fall into her eyes And you pop the top on a Rolling Rock It's like the 4th of July

CHORUS: I need a cold one & amp; a warm heart tonight I need a cold one & amp; a warm heart tonight Baby treat me right Yeah Yeah Yeah Yeah

BRIDGE: Like a baby needs a bottle Girl I need you Won't you wrap Your arms around me Like a label to a brew

CHORUS: I need a cold one & amp; a warm heart tonight I need a cold one & amp; a warm heart tonight Baby treat me right Yeah Yeah Yeah Yeah Baby treat me right Yeah Yeah Yeah
