

Way Back Home

This song was written from imagining losing my spouse. I've seen loved ones go through it and I fear the very thought of it.

"In Loving Memory of Lynn M. Bliss"

I'm so proud of your faith and ability to stay busy. Warren, this is dedicated to you and Lynn. May she rest in peace.

Your Steps Still Echo Off These Empty Walls
Last Night I Woke Up Cryin' As I Called Your Name
Married Almost 40 Years
I'm Almost Too Old For Tears
So I Just Sit Here Starin' Down The Hall

Chorus:

I'm Just Tryin' To Find My Way Back Home
I'm A Stranger In Our House All Alone
There's A Table Set For Two
But I'm Not Me Without A You
I'm Just Tryin To Find My Way Back Home

I Close My Eyes And Feel You Next To Me
If I Hold Your Pillow Tight I Just Might Dream That You Are Near
There Was So Much Left Unsaid
Now I'm Makin' Half A Bed
Talkin Like I Never Did When You Were Here

Chorus:

I'm Just Tryin' To Find My Way Back Home
I'm A Stranger In Our House All Alone
There's A Table Set For Two
But I'm Not Me Without A You
I'm Just Tryin To Find My Way Back Home

Bridge:

I Wish That I Could Bring You Back
But That's Not Fair To You
So Wait Right Where You Are My Love
I'll Be Comin Soon

Chorus:

I'm Just Tryin' To Find My Way Back Home
I'm A Stranger In Our House All Alone
There's A Table Set For Two
But I'm Not Me Without A You
I'm Just Tryin To Find My Way Back Home
I'm Just Tryin To Find My Way Back Home
